

Abbey E. Foltz Memorial Scholarship

Abbey Foltz, a 1999 GlenOak High School graduate, lost her courageous battle to cancer and passed away in August, 2000. Although frequently hospitalized and on treatments during her high school career, Abbey overcame insurmountable obstacles and worked hard to achieve her academic and personal goals. She had the courage, drive, and perseverance to finish high school and subsequently attend The Ohio State University. From her painful ordeal with cancer, she gained wisdom, empathy and a deep understanding of the struggles of others; she opened her heart and gave willingly to herself to help others. Her radiant smile adorned her face and her gentle and kind words always seemed to speak a positive message.

It was obvious to anyone who caught her sparkling performance in May Shows, musicals and concerts that the performing arts were especially important to Abbey. Her effervescent personality and bubbly smile brightened the world to those who knew her. Abbey was a very special young lady whose kind and gentle spirit sang and danced forth in joy and touched many lives.

Abbey's parents and family, all of whom were also Plain Local graduates, have established this scholarship for GlenOak students to commemorate Abbey's love for music and to honor her memory.
