

Plain Local Schools FOUNDATION & Alumni Association

Building a Lasting Legacy

Whether you are a Diamond, Raider, Eagle or Golden Eagle, the Alumni Association is a strong organization whose purpose is to keep Plain Local alumni, faculty and friends connected both to each other and to the school district. Founded in 1994, we have provided over \$10,000 in scholarships to graduating seniors over the past 13 years and nearly \$15,000 in STAR grants each year through endowments, donations and membership fees. The scholarships and STAR grants benefit students, current staff and district projects that are otherwise not funded through tax dollars or other district monies.

Specific to alumni, we have created a Hall of Distinction, honoring those graduates who have gone above and beyond in their profession or in service to their community. We also serve as a resource for class reunions and a sponsor of other alumni events, including the annual Alumni Tailgate which is open to alumni and non-alumni community members.

Beyond the general scholarship and STAR grant funds, the Eagle Pride Program is another option for donations. The Eagle Pride Program starts in kindergarten with a "Welcome to Eagle Nation" postcard and photo of Ernie the Eagle. The message serves as a token of encouragement as we welcome our youngest Eagles to the Plain family. With the help of donations, the program will expand to include graduating seniors entering into a new chapter of their life as well as students transitioning to a new building. We want our students to know that we believe in them every step of the way and serve as a resource for them, especially as they enter into higher grade levels.

Your donation is appreciated and may be directed for specific use by the foundation. On behalf of Plain Local Schools Foundation & Alumni Association and Plain Local School District, we thank you for contributing to our students, faculty and district's continued success.
