

Plain Local Schools
FOUNDATION
& Alumni Association

Greetings,

The Plain Local Schools Foundation and Alumni Association would like to invite you to support our 24th annual Hall of Distinction Awards dinner through many opportunities. This year our event will be held at the Hall of Fame Village on September 30th. Your sponsorship will be recognized in our program, and advertising notifications, which will provide additional outreach for your advertising dollars.

The Plain Local Schools Foundation and Alumni Association provides scholarships to graduating seniors: "STAR grants" to staff; and recognizes outstanding graduates, employees, and community leaders of the Plain Local area. Your support is greatly appreciated as it provides an opportunity for individuals, graduates, community businesses, and district support groups not only to advertise themselves, but to be a partner with the Plain Schools Foundation and Alumni Association in these endeavors.
